**TWO MALES SHOT, ONE DEAD AND ANOTHER STABBED  
AT BROCKTON HOUSE PARTY**

**BROCKTON** – Two people were shot, one fatally and another person was stabbed at a party at a Brockton house overnight, according to Plymouth County District Attorney Timothy J. Cruz and Brockton Police Chief John Crowley.

At 4:30 am Sunday, Brockton Police received several 911 calls for shots fired at a party at an apartment building at 66 Green Street in Brockton. Upon arrival at the residence, which was a four-unit apartment building, they located one victim suffering from an apparent gunshot wound to the leg. The victim, a male, was transported by ambulance to Good Samaritan Hospital in Brockton.

State Police assigned to the District Attorney's Office and Brockton Police investigated and interviewed several people who reported that an altercation had taken place at the party and spilled outside onto the street. Police learned that two additional male victims had left the address and taken private cars to Signature Healthcare in Brockton for treatment. One person had been stabbed and another was suffering from a gunshot wound to the chest. The male with the gunshot wound to the chest was pronounced dead at the hospital. The other two male victims have undergone surgery for their injuries, which are believed to be non-life threatening.

The investigation is active and ongoing and police are not identifying the victims at this time. Anyone with information is urged to contact the State Police at (508) 923-4014 or the Brockton Police at (508) 941-0234.

The investigation is being handled by State Police Detectives from the Plymouth County District Attorney's Office and Brockton Police. Crime Scene Services and the Firearms Identification Section of State Police are also aiding with the investigation.
